

3AE+4AE 口語傳播教學綱要 Junior/Senior Oral Communication Syllabus

學分：2/semester for 4 semesters

任課老師：Ms. C. Bowers

一、教學目標

This course is designed to raise the student's ability to speak conversational English from a medium to a high level. The goal is fluid, competent English communication in each topic area studied.

二、先修科目

Sophomore Oral Communication Class although exceptions have been made for more fluent English speakers

三、教材內容

The four semesters currently cover the following topics: genius, pushing boundaries, sleeping problems and disorders, animal intelligence, the golden years, giving to others, water activities, and evaluating video games. We concentrate on listening, speaking, presentations, how to give presentations, and expanding vocabulary and knowledge of the subject and related subjects.

四、教科書

North Star 4 Listening and Speaking (Fifth Edition) by Tess Ferree and Kim Sanabria

五、評量方式

Presentations (20%)

Homework + Quizzes (20%)

Participation (20%)

Mid-term Exam (20%)

Final Exam (20%)

The Mid-term and Final exams include both an oral and a written part, but the oral part is given more weight.
